The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Props., Toledo, O.

Our regular monthly meeting was held in the Methodist church Friday afternoon. After our usual devotional exercises, we planned for the entertainment of our visitors. Mrs. P. C. Davis has kindly opened her hospitable home to them. The union tendered a vote of thanks to Mr. Gaffney for his kindness in printing hand bills announcing Rev. D. Tatum's address; also to the Star for help in advertising our meeting.

Members and friends should not miss a treat, but come to the parlor meeting to be held in the lecture room of the Methodist church Saturday afternoon at 3:30 o'clock, in honor of a visit to us from our state president, Mrs. A. C. Brown. Miss Minnie Neal, state corresponding secretary, "Y" organizer and Christian Endeavor worker, will accompany her. On Sunday afternoon at 3:30 and in the evening at 7:30, addresses will be delivered in the Christian church by Mrs. Brown and Miss Neal. An earnest invitation given to all. No collection. SUPT. Stole His Reel

Rossie Yonge, the telephone constructor and electrician, on Monday, had his wire reel filled with wire and was repairing lines on Ocklawaha avenue. Night coming on, he left his reel until the next day.

During the night some persons, mischievously inclined, took the wire, unreeling it, stretched several strands across the street, about four feet high, and hid the reel in Mr. Jewett's woodyard, where he did not find it until Thursday noon. It was indeed fortunate that no one passed up or down the street as there might have been serious damage done.

All Next Week

The Atlanta Constitution has the following to say of the excellent company that will play every night next week at the Marion opera house:

The Chapman-Warren company gave the first performance of their engagement to an immense audience last night at the Columbia. Every seat was taken and standing room even was a scarce article. A comedy entitled "All a Mistake" was the bill, and the large audience was kept in a state of continuous laughter. The lines were very funny and the situations side-splitting. Manager Chapman has a clever company and the verdict of those present last night was undoubted approval. Miss Warren at once became a strong favorite. Miss Marion Hart sang several songs in a pleasing manner. Earl P. Adams entertained the audience fully twenty minutes with some splendidly rendered ragtime songs, accompanied by the banjo. He was forced to respond to at least eight encores. The Chapman-Warren company will certainly draw large houses the balance of the week.

Prices 10, 20 and 30 cents. Reserved seats at the Surprise store.

Victims to stomach, liver and kidney troubles as well as women, and all feel the results in loss of appetite, poisons in the blood, backache, nervousness, headache, and tired, listless, run-down feeling. But there's no need to feel like that. Listen to J. W. Gardner, Idaville, Ind. He says: "Electric Bitters are just the thing for a man when he is all run down, and don't care whether he lives or dies. It did more to give me new strength and good appetite than anything I could take. I can now eat anything, and have a new lease on life." Only 50 cents at Garrett & Gerig's Drugstore, Ocala.
